CRUISE TO WHITEHALL CREEK

Dear sailors and friends, Just a reminder that Jim and Jill McCutchan will be hosting the raft up for Whitehall on October 4th and 5th between 4 and 5 pm. We had this same raft up last year and we had a great time in spite of a few showing up. Please bring with you some kind of treat to share and your favorite beverage as we all like to eat and drink. We will have some fun talking about Isabelle and how you helped someone as I know most of you are community-loving spirits. I pray everyone made out ok during the storm as they called it and we look forward to seeing many of you soon. If you have any questions please call 410-360-1163 and the more of you that come the merrier we can all be. See you on October 4th.

Jim and Jill McCutchan.

"BLUEWATER" EILEEN QUINN CONCERT RE-SCHEDULED

Who would have thought we'd have to worry about a hurricane when planning our September meeting? It appears there's a good reason that we haven't had a September meeting in a few years. Despite backup plans for heavy rain, we had no plan that covered power outages and toppled trees, not to mention flooded beaches, etc. It was deemed best to postpone the Eileen Quinn concert to our October meeting, scheduled for FRIDAY, October 3rd, 7:30 PM at the Potapskut Sailing Association's (PSA) Clubhouse. (Yes, Friday, to ensure maximum attendance for an evening event). Eileen is a sailor, songwriter and recording artist. With over 30,000 sea miles, and countless beach bar performances, few singers are as qualified to describe the ups and downs of boating life. She has written songs about the important, but neglected aspects of cruising: how anchoring leads to marital breakdown, why weather forecasters shouldn't be trusted, what it is about comfortable harbors that seems to scuttle any plans to leave. Those who already paid for the September event are covered for the October event. For the rest, the cost of the performance will be \$10. Please let Sheryl McNair (410-437-8998, or sammcnair@yahoo.com) know if you will attend soon, and feel free to invite friends and neighbors. Water and soda (leftover from previous events) will be available at minimal cost. Otherwise, BYOB.

Directions by land: go east on Route 100 towards Gibson Island, until it merges onto Mountain Road (Rt. 177). Stay on Mountain Rd. and turn right on Lake Shore Rd. at the traffic light. Follow Lake Shore Rd. to turn left on Ferry Point Rd. (if you make it to the 90 degree angle in Lake Shore, you've missed your turn). Follow that to a left on Cove Road (there's a PSA burgee there—blue with the white silhouette of a sailboat). The road ends in the PSA clubhouse parking lot. The event will be mostly outdoors, although with a roof, so dress appropriately. Directions by water (a good way to be ready for sailing for the weekend, and a shorter route for those coming from Arnold area): PSA is in the interior of Black Hole Creek, on the North Shore of the Magothy, north of Red # 10 (Chest Neck Point). When entering Black Hole Creek, obey the green & red markers—there is no water outside them! Once inside Black Hole Creek, leave the little island on your port, proceed around to the PSA facility on the western shore of the creek. See you all there!

COMMODORE'S COMMENTS

What a month September has been! Most like me are still trying to recover from Hurricane *Isabel*, and hope everyone and their boats weathered the storm. The property damage that was left by this storm affected many members and it will take some time to repair it. I want to thank everyone that helped move the Junior Training boats. They would have been lost without the efforts of those at a time when everyone had more than enough things to do. Also, I need to thank Roger Bartholomee and others who took in the race marks and prevented their loss. The storm has now passed, so let's get back out there and do some sailing. If you haven't seen a member for a while, give them a call or send them an e-mail and make plans to take in a Race, Cruise or Membership Meeting.

Prior to the storm, the Cruise to Baltimore turned out very nice. The threatening weather gave way to sunshine and nice sailing. Brief downpours just prior to our arrival in the Inner Harbor, great appetizers and dessert at *Vaccaro's* were definitely highlights of this event. Thanks Mike, Annette, John and Rob for organizing this event.

I look forward to the membership meeting that was to be held Sept 19th, that has been moved to October 3rd, so there is still time left to sign-up to hear Eileen Quinn and her music. Please contact Sheryl McNair to make reservations. This meeting will be followed by the Whitehall Cruise Oct 4-5 (contact Jim or Jill McCutchan) and The Annapolis Boat Show October 9-13th. The final cruise of the month will be the popular Goose Cruise led by Tony and Dee Torres.

A Nominating Committee has been formed to fill vacancies on the Board and committee chairpersons. The committee will be made up of Sheryl McNair, Mike Mullarky, Sue Kirkendall, and me. If you have an interest in helping out the club by filling a position, please don't be shy and contact one the committee members.

Thanks again to all of those that helped protect the MRSA property, and I look forward to seeing everyone!!!

Remember, be safe out there!

Royal Salute—Kent and Nancy Shaffer. Also, attending Saturday happy hour and group dinner on Saturday evening were Dave and Mary Gendell and Philippe and Shirley Masiee, arriving by "land yacht".

Jazz, Marimba II and *Royal Salute* began their cruise on Friday, putting in at Still Pond that night. All the boats arrived at "Tidewater Marina" during Saturday afternoon, after a very warm ride up the Bay in light following winds. Early afternoon brought a cooling, if inconvenient, brief thunderstorm. Haskell's dog Higgins, ever the showoff, spent the afternoon launching himself off the docks into the water, to Phil's utter delight. Dinner reservations took everyone to the "Tidewater Grille", on the harbor in downtown Havre de Grace, for a pleasant time together.

On Sunday morning, all were treated to cooked-to-order omelets aboard *Fantastic*, prepared by the "Omelet King" himself, chef Rich Hughes. His performance was a "tour de force", cranking out a dazzling variety of those delectable fluffy yellow babies, all to order. An amazing performance—who knew?! The afternoon was spent sampling the delights of the town, including some shopping and visits to the Concord Point Lighthouse and Maritime Museum. Following an extensive happy hour, Chinese carryout was ordered, and consumed dockside in the dark.

Monday morning brought a nice sailing breeze for the trip home—unfortunately, due south. Several participants, having extra time, rendezvoused at Worton Creek, rafting together in the outer harbor for swimming and hors d'oeuvres. Later, all (except Higgins and Shannon—to their dismay, no doubt) —boarded *Fantastic* to go in for dinner at the Harbor House restaurant, orchestrated by Rich Hughes in advance—excellent food in very pleasant surroundings. Dinner was capped by sudden flashes of lightning, which sent everyone scurrying for the dock to get back aboard the now separately anchored boats before the storm hit—too late! Only about fifty yards short of the first boat, the storm hit, forcing Rich to stand off in the blinding rain and gusting wind until it abated. All were eventually delivered safely, however, to enjoy a rather bumpy night at anchor.

On Tuesday morning, all of the remaining flotilla except *Fantastic* and *Royal Salute* sailed for home. The latter, evidently reluctant to end their adventure, headed for Swan Creek. What shenanigans may have transpired there are not recorded.

2003 GOOSE CRUISE

Let us not forget last year's Goose Cruise, remembered fondly because the party went from Rum Daiquiris to Rum Cake ... most forgot dinner. Most important, fun was had by all.

Rum Daiquiris will be served by your Cruise Leader again, wear your brightest Hawaiian or Tommy Bahama shirt to gain entry to the party. Rum marinated appetizers are sure to appear. Together we will toast to a great summer, a speedy winter and a super next year.

Join the crew of *Vanir* on October 18th and 19th at Gray's Inn Creek for what will be remembered as the best Goose Cruise ever. Perhaps we can get the eagle to make an appearance again.

Please call Tony Torres at 410-315-8850 and leave a message if you plan to attend. I can also be e-mailed at: torrest@basf.com.

NOTICE- TROPHY PARTY RE-SCHEDULED FOR WEDNESDAY, OCTOBER 8 AT THE WHITEHURST COMMUNITY CLUB-HOUSE

Due to Hurricane Isabel, this year's trophy party has been rescheduled for 18:30 on Wednesday October 8th at the Whitehurst Community Club-house (360 White Cedar Lane in Severna Park). The extension of the racing season and significant damage to the Gibson Island boathouse forced the change. The Whitehurst facility is large enough to accommodate our crowd both indoors and out with ample parking. Sorry for any inconvenience this adjustment may have caused.

As in the past, refreshments and sandwiches will be provided. Skippers with last names starting with A-L are asked to bring an appetizer to share and skippers with last names beginning with M-Z are asked to bring a dessert to share.

Directions to Whitehurst Community Club

From Pasadena:

Take Ritchie Highway south to Leelyn Drive. Turn Left on Leelyn (toward Severna Park Auto & Goska's Liquors) and follow through the traffic circle to Arundel Beach Road. Stay on Arundel Beach Road for approximately 1.1 miles and turn left onto White Cedar Lane.
